

Contribution Log – Sprint 2

Name: Yasmin Tavassoli

Sprint 2 (Sept 25– October 12)

- Sept 27 (45 min): Participated in the first meeting for Sprint 2. We just discussed feature ideas and what needed to be done.
- Oct 1st (45 min): Separation the tasks and divided the teams (frontend and backend)
- Oct 2nd - Oct 4th (3 hours): Reviewed frontend (html, css, js) because i am on the frontend team
- Oct 6 (1.5 h): Meeting for frontend team to discuss website layout and structure and to divide the tasks equally (I drew a quick draft of what different pages would look like)
- Oct 6th (3h) Working on the main page for the website
- Oct 7th (3h) Worked on the events analytics page for the organizer
- Oct 9th (3h) Worked on the purchase ticket page for the student
- Oct 10th (3h) Made quite a few changes (Frontend thought this website was for events like concerts, but needed to be more school oriented) especially on the main page. Also reviewed and made changes that were discussed during the lab with the TA.
- Oct 11th (2h) Worked on pull requests and merges and fixing some of the bugs I had on my submissions.

Total Estimated Time: 20 hours
