

Contribution Log – Sprint 1

Name: Yasmin Tavassoli

Week 1 (Sept 11–17)

- Not present this week. I was first part of another team and asked to leave, so I did not contribute to this team's tasks during this period.

Week 2 (Sept 18–24)

- Sept 18 (2 h): Attended lab session with the team. Discussed sprint 1 and what needed to be done. Divided the tasks.
- Sept 19 (2 h): Read through the project description and brainstormed user stories as a team and on my own.
- Sept 20 (2 h): Added the user stories and their detailed description and numbering into GitHub, detailed descriptions and numbering.
- Sept 21 (1h): Polished the user stories, numbered them and general review of the user stories.
- Sept 21 (4 h): Discussed with peers how GitHub works, reviewed its features, and looked through the repository files.

Total Estimated Time: 11 hours
