

Contribution Log – Sprint 2

Name: Shayan Javanmardi

Sprint 2 (Sept 25– October 12)

- Sept 27 (45min): Participated in the first meeting to discuss the work to be done and task breakdown.
- Oct 1st (45min): task distribution, one frontend team and one backend team for the full stack development.
- Oct 6 (1.5 h): backend team meeting to discuss how we should implement the features.
- Oct 6 (1h) Working on NodeJS to export the CSV file.
- Oct 7 (2.5h) How to link the database to the node file.
- Oct 8 (2h) linking the frontend to the backend (failed attempt).
- Oct 10 (1.5h) continue linking the frontend to the backend (failed again).

Estimated Time: 10 hours
