

## CONTRIBUTION LOG - SPRINT 3

### Yasmin Tavassoli

- Met up with frontend team to plan admin and what was left of the student and to divide tasks (1hr)
- Did the frontend for admin management page, and the frontend for admin analytics (4hrs)
- I also did the architecture for our system (frontend) using block diagrams (2hrs)
- We had multiple meetings in between that I participated in to update everyone on what we were working on. (2hrs)

Total: 9 hrs
