Sprint #1

Task Title	Contribution Description
1. Meeting minute participation	On our first meeting with the team, we discussed what approaches should we take to create the software.
2. Meeting minute participation	On our second meeting, we divided tasks of sprint 1 between members and discussed the extra feature of our software.
3. Sprint plan	I created an excel sheet to make the sprint plan so we can distribute tasks between members while keeping track of the dates, status and so much more information of the tasks on the sheet.
